

ECGR4101 - Quiz 9 - 10/29/08

1. Attendance at 2:00 - 2pts
2. Write the Algorithm for the temp conversion program from the homework.

Pseudo code, include a header

```
// Temperature Conversion function
// James Couvad 10/29/08
// Convert from F to C
Check for correct bounds
Convert to C from F using formula
 $C = (F - 32) * 5/9$ , return
```
